REPORTS AND REVIEWS

Dean Neurological Centre Longford: What a privilege to sing at this wonderful establishment for the residents, the staff and for the families. A special thanks to Sheila's family for providing us with fabulous refreshments and Mary's husband for the bus.

Dear Girls,

According to the birds and blossoms, spring has already sprung. What a joy to experience a taste of summer in February. Bring it on and let's have more of this warm sunshine!

There have been a few members with illnesses lately and we send good wishes for a speedy recovery to all those who have spent too much time in the surgeries, hospitals and on their sofas lately. I won't include names as I will be sure to leave someone out, but you know who you are. We do, though, send special wishes to our president Marg James who was definitely not feeling well last month. Get well soon - all of you - we need your voices!

Plans for the tour in November to Carmarthen go on apace. Chris and Allison are in touch with Carmarthen MVC who have booked a concert for Sat 1st November. Chris is hoping to organise a trip to a special Garden on Sunday 2nd November on our way home. I believe there is still one double room available in the hotel, so if there is anyone who would like to join us on tour, please contact Chris Fisher who has all the details.

Josie Smith has been in touch about Theatre trips available through Grindles Tours. They are both matinee performances and details are available on choir nights or ring Grindles Tel No; 01594/822110
